

BEAR RENTALS

COMPANY PROFILE :

Bear Rentals was founded in Sydney and has been in operation since December 2012. We are a family run business with a strong back ground in tourism and travel; built on a passion of overland travel and exploring. Our goal is to create an experience for our customers not just provide them with a vehicle and see them on their journey.

THE FLEET :

At Bear Rentals we run a fleet of 28 Land Rover Defender and Discovery 4WD campervans; every one of which is unique and hand built at our Sydney factory. Set up for touring Australia with everything your customer needs for an unforgettable trip. We aim to make every booking a unique and stress free experience - because we love adventure but we hate hassle.
